

This is our guarantee to you. Should you decide to allow

Insurance* *Now

help you in selecting a health plan, we will promise to do the following:

- ✓ Be available and take the time to answer any questions before and after you become our client
- ✓ Help you select the best available plan that fits your needs and budget
- ✓ Keep abreast of all the companies available and the benefits of each so that you may feel comfortable that you are getting what you want and need
- ✓ Offer you only quality companies. When you need to use health insurance, it should be no question about your company's willingness or ability to pay claims
